- Percentage of pharmacies that gain standards for dispensing system premium

From revision of 2016, new condition about Kakaritsuke-Pharmacists is established. We will continue to take various measures to strength the function of Kakarituke-Pharmacists, and make effort to respond new rule immediately.

■ Conditions and measures of Kakaritsuke-Pharmacists guidance fee

## Usual operations

- Operations about drug use history management and guidance fee
- Integrated management of patients' visit to other department and drug information
- 24-hour support
- Feed back patients' information to doctors
- Management of surplus drugs

We will continue to strength the function of Kakaritsuke-Pharmacists
Efficient use of drug use history and notebooks
We have enhanced convenience of IT. We implement continuous medical history management, promotion of medication notebooks, and service of electronic medication notebooks from April 2012.

## 24-hour support

Phone-based support and dispensing services where necessary
Prescription question \& suggestion, information feedback
Addition to conventional prescription question, we strength the education about drug information etc.
