## Promoting Sustainable Management

The group established sustainability management department in FY 4/21, and sustainability committee, chaired by the President and Representative Director, in this November. We will work on promoting sustainable management.

- Promotion system for sustainable management The committee consists of the president as chairperson, senior managing director as vicechairperson, presidents of key group companies and managers of each division as member. We will further strengthen our CSR and ESG activities under the commitment of top management by formulating the Group's sustainability promotion policies and measures, building and developing a promotion system, and monitoring key indicators.
